tracking how many of each item you already have on AH. For a transmog with more than 2 at any given time is not worth it if it is a very popular item. Below is a list of several note items that are good for making gold. Most of the time you should just use TSM to find what is profitable, but I felt like the items below need to be mentioned here as well. The list is in progress and more will be added later. Goblin Glider Kit – This is very popular, and the price fluctuates a lot. Non-engineers can even make them through engineering work in your WoD Garrison.Sky Golem – A very profitable mount as you can only do one every 30 days. Consider doing this on more than one alt. WoW Gold Guide SummaryThis WoW Gold Guide is a constant work in progress and will be updated as time goes by. All suggestions or questions are highly appreciated, so leave Below. Below.
